Washington-Alaska Division IAAP

A monthly publication prepared and distributed by the Washington-Alaska Division IAAP.
To provide information to all Division members of recent Division actions, activities, dates and deadlines of upcoming events.

The Division Board has been fine-tuning the Strategic Plan and the Member of the Year award; these documents will be presented to the Chapter Presidents during the Board telecon this month. The Professional Development Committee presented "Social Networking" webinar in December with attendees receiving recertification points for attending. The next webinar will be February 8th, 2010. Watch for the next Division Newsletter, "*WA-AK Connection*".
