Dear Member,

The Division Board has been hard at work this month. We are currently updating the Strategic Plan. The second Webinar create Your Personal Development Plan was well attended. The Professional Development Committee is hard at work planning the next installment. Look for further details soon.

If you have not visited the Division website lately, check it out. A new page was added - Chapter listing and Chapter Newsletters. Be sure to have your Newsletter Editor send a copy to the Board and we will have it added to the website.

Name the Division Newsletter

The Board is still looking for a Name for the Division Newsletter. You could be the winner of a **\$20** Division gift certificate. Apply it to your Division dues, Annual Meeting registration or to purchase an Annual Meeting auction item.
